What We Believe

We Believe: That it is God's will that all individuals on the face of this earth live a healthy, happy and prosperous life.

We Believe: That such a life is within the reach of each one of us and the way to its attainment begins with the realization that the Kingdom of God is within us, waiting for us to bring it into expression.

We Believe: That we can bring this Kingdom forth by practicing the universal spiritual principles handed down through the ages and taught by our Lord Jesus Christ himself as our example.

We Believe: With Jesus our experiences are the reflections of our beliefs and therefore the key to happiness, happy and successful living, is right thinking followed by right action.

We Believe: With Jesus the basis for right thinking is love – the love of God and all that is good in ourselves and others.

We Believe: That learning to listen to the whispering of the “still small voice” within us will ensure that we are guided into right action.

We Believe: That rather than devoting our primary efforts to providing for the needy of the world, the time has come to make available to all people, everywhere, a teaching that will enable them to provide for themselves by learning to release the divine potential within them.

We Believe: That the Creator enables every man with the ability of understanding a better way of living and that this is the vehicle for spreading the Good News of the Gospel of the Kingdom of God. This we proclaim!

What We Teach

Lighthouse Christian Fellowship Center is one of the first and foremost teaching ministries in the Clayton, NC area - ministering to the whole man: spirit, soul and body. Our purpose is to teach people how to live better lives. God created man in His likeness and image, placed man in a garden to live happy and free. Man was God's highest specimen – above all which was created to live in the earth as He (God) lived in the Heavens. This teaching was lost, but is now being restored through Kingdom teaching. Mankind was not created to die, but to have eternal life and that is in abundance. Sickness, poverty, death, depression and all negative sources were not man's portion; however, due to an enemy that arose in jealousy, what was promised to mankind was stolen. LCFC teaches the entire Bible and how to receive that which was stolen, restoration of all things, principles in which every lesson, sermon, class and activity in this ministry is based, and seeking accurate knowledge for the livelihood of mankind.

Purpose Statement

As a spiritual community, our purpose is to be an environment for individuals to realize that we are unique creations of God, created with intelligence, within the scope of God of the universe, His image and likeness (Genesis 1:26), governing first Himself and His earthly surroundings.

Learning that we embody not only a theoretical understanding of our oneness with God, we consciously practice this truth in our daily lives, understanding that what He (God) is, we are as well, in this present world (1 John 4:17); awaking mankind to His true self, from unconsciousness to consciousness.

We are committed to the awakening of every individual that crosses our path, to share this wisdom, knowledge, this level of understanding and teaching that man was made a little lower than the heavenly angels – to rule and have dominion [on] in this earth. Now life is lifted (*or shifted*) to another dimension of living.

Now ye are the lights of this world – to deliver truth, setting mankind free; simply dispelling darkness.
